

MASTER OF PHYSICS

Second year

Université Blaise Pascal
UFR Sciences et Technologies

APPLICATION FORM

For the academic year 2010-2011

LAST NAME : _____ First Name _____

Birth date ____/____/____ Birth place _____ Nationality _____

Address : _____

E-mail : _____ Tel. : _____

University diploma

Issued by

2009/2010 _____

2008/2009 _____

2007/2008 _____

Financial support : scholarship requested/obtained (source) _____

Amount in euros : _____

I request to be admitted to the Master of Physics Research of the Blaise Pascal University, with the following speciality:

- PS** : Particle Physics (*Physique Subatomique*)
- MN** : Materials and Nanostructures (*Matériaux et Nanostructures*)
- PCAC** : Physics and Chemistry of the Atmosphere and the Climate (*Physico-Chimie de l'Atmosphère et Climat*)
- SPE** : Physical Sciences and Education (*Sciences Physiques et Enseignement* – to be checked together with one of the three above)

Date : _____ **Signature of the applicant** :

The application for M2 consists of:

An application form ; a detailed Curriculum Vitae ; a statement of purpose ; a list of marks obtained during the last 3 years of University studies and copies of diploma (+ certified translation for all foreign documents); a sealed confidential letter of a University teacher of the present year; 1 identity photograph; a copy of your ID card or your passport.

To be sent to Michèle CHADELAS – Université Blaise Pascal – UFR Sciences et Technologies
Laboratoire de Physique Corpusculaire de Clermont-Ferrand / CNRS
24 avenue des Landais – BP 80026 – F-63177 AUBIERE CEDEX FRANCE
